Comfortable Footwear for Life's Adventures

Greetings from Finland!

Founded in 1960, we're still a Finnish family-owned business dedicated to producing sustainable, authentic, high-quality footwear. For over 60 years we've built a reputation for crafting shoes which combine comfort, quality and usability. Our passion for helping people enjoy the outdoors is reflected in our use of rugged, durable materials, specialised waterproof and breathable GORE-TEX membranes, oiled leather, felt and advanced non-slip rubbers. We are committed to ethical manufacturing and sustainability. All Pomarfin shoes are made in Europe at our own shoe factory in Pärnu, Estonia.
